### CAREER CARD DRAFTING TEMPLATE

*Directions:* To “invent” and “research” your Career Card, in the left column list detailed information to help you draft your Career Card on the back of this handout. In chronological order, list your key academic achievements, extracurricular activities, memories, and stats so far in school. Last, list two goals to accomplish by graduation. In the right column, draw a picture of or by you that can fit the “vertical crop.” Then, write the caption, identifying how the picture captures your expository paragraph’s topic focus.
