

Appendix 19.2. Podcast Script Outline

To begin writing your script, record ideas for the following podcast components.

<i>Introduction</i> Introduce speaker and show; 2- to 3-sentence overview of article's content.	
<i>Hook</i> Introduce original argument, interpretation, or take on the subject; be creative and engaging.	
<i>Evidence</i> Include quotes, summarized details, and supported opinions.	1. 2. 3.
<i>Conclusion</i> Note 4–5 questions for the guest to extend the conversation.
