Appendix 19.4. Podcast Evaluation

Mark the box that demonstrates your evaluation of the podcast for each of the questions. Then provide a comment explaining your evaluation.

Criteria	Exceeds Expectations	Satisfactory	Needs Improvement	Comment of Evaluation
Informational Content Does the podcast provide an overview of the article's issue? Are main ideas and important details included?	•		•	
Response Does the podcast respond to the article? Or does it only summarize? Does the pod- cast include a balance of text content and speaker input?				
Originality Does the podcast present an original perspective or idea about the issue? Does there appear to be something new the speaker brings to the conversation?				
Engagement Does the podcast include both informative and en- gaging dialogue? Does the podcast grab and maintain the listener's attention?				
Communication Is the communication of the podcast clear for the listening audience? Is the speaker's voice clear? Is the use of vocabulary appropriate? Is the speaker vague or specific?				
Scriptwriting Does the script of the pod- cast demonstrate writing and grammatical conven- tions necessary for effective communication (punctua- tion, spelling, etc.)?
